Chronological Bible Study The Divided Kingdom From Solomon to the Fall of Israel

Elisha is dead. Yet, there is life in his tomb, which was evidenced when a dead man stood up in the tomb. See part 1, Reference L.5. in Outline. During this period, Israel was leader over 10 tribes and Judah was leader over 2 tribes. Rehoboam (House of Judah) and Benjamin's tribe planned to war against the House of Israel. The lord instructed them. See the Lord's instructions at Part II, Reference A.3.
